Dear Friend,

Team Fox Detroit provides the opportunity for those affected with PD, their families, friends and loved ones to be part of finding a cure. Over the last three years with your help, Team Fox Detroit has raised over \$600,000 for The Michael J. Fox Foundation for Parkinson's Research (MJFF).

To quote Michael J. Fox – “Cures aren’t going to fall from the sky. We have to climb up and get them.” “The moment I understood this – that my Parkinson’s was the one thing I wasn’t going to change – I started looking at the things I could change, like the way research is funded.”

The Team Fox in the D committee is very excited about 2019! We’ve already held two fundraising events this year: a Coach Raffle which raised over \$3,500, and a Golf Outing at Meadowbrook Country Club on June 3<sup>rd</sup> where we raised over \$70,000. This September 21<sup>st</sup> we will be hosting our 4<sup>th</sup> Annual Gala at The Henry Hotel in Dearborn, Michigan. Our continued dedication in bringing about awareness and support stems from the knowledge that we CAN and WILL help to speed a cure.

#### **What is Team Fox?**

Team Fox is the grassroots community fundraising program at The Michael J. Fox Foundation. Each year, thousands of Team Fox members worldwide turn their passions and interests into unique fundraising events and athletic feats. To date, members have raised over \$77 million for Parkinson's research. You too can make a difference.

#### **WHY we do it**

Five million people worldwide are living with Parkinson's disease - a chronic, degenerative neurological disorder. In the United States, 60,000 new cases will be diagnosed this year alone. There is no known cure for Parkinson's disease. But through your support of The Michael J. Fox Foundation, you can help change this.

The Michael J. Fox Foundation is honored by your support. Since 2001, the Foundation has maintained an uncompromising pace - strategically targeting our resources to achieve maximum impact on patients' lives, funding work on over 100 therapeutic targets to the tune of more than \$850 million to date. The Foundation also understands that patients are the key to a cure and is actively engaged with the PD community.

It is a great time to donate! **Thanks to the generous support of prominent donors, 100% of Team Fox proceeds go straight to high-impact research programs.** Be a part of the answer and help us speed a cure for Parkinson’s today!

Thank you for helping us move closer to a world without Parkinson’s disease.

With Gratitude,

Donna Rajkovic and the “Team Fox in the D” Committee

*The Michael J. Fox Foundation is a 501(c) (3) non-profit, tax-exempt organization designated by the Internal Revenue Code. Their tax identification number is 13-4141945. No goods or services were provided in exchange for your contribution. Your contribution is tax-deductible to the fullest extent allowed by law.*

Dear Friend,

This year we are proud to once again play a part in the fight against Parkinson's disease by hosting our 4<sup>th</sup> Annual Detroit Gala for Parkinson's Research on Saturday, September 21<sup>st</sup> at The Henry Hotel, Dearborn, Michigan. We invite you to join us in honoring our family, friends and loved ones and the Parkinson's community.

Since inception in 2016, Team Fox in the D has raised over \$600,000 for Parkinson's research – 100 percent of which went directly to the high-impact research programs at MJFF. "We were amazed by and so grateful for the Detroit community's support and we can't wait to host you again," shared Donna. "This is our way of doing something personally to help further the Foundation's mission to speed a cure, and to help bring meaningful advances in treatments to those affected by Parkinson's."

The evening aims to raise \$250,000 or more to enable MJFF to continue aggressively funding research to find better treatments and a cure for Parkinson's disease. The event will be a tremendous party with a serious purpose: making Parkinson's a disease of the past. The evening will begin at 6:00 pm with cocktails, seated dinner, dancing and entertainment provided by: Justin Young Sax and The Band.

Over five million people worldwide are living with Parkinson's disease (PD) — a chronic degenerative neurological disorder whose symptoms typically progress from mild tremors to complete physical incapacitation. In the United States, 60,000 new cases of PD will be diagnosed this year alone. While the average age of onset is 60, an estimated five to 10 percent of people with PD experience onset at age 40 or younger. There is no known cure for Parkinson's disease. The Michael J. Fox Foundation is dedicated to finding a cure for Parkinson's disease through an aggressively funded research agenda and ensuring the development of improved therapies for those living with Parkinson's today.

Team Fox is the grassroots fundraising arm of The Michael J. Fox Foundation. Each year, more than 5,000 Team Fox members worldwide turn their passions and interests into unique fundraising events and athletic feats. Since the program's inception in 2006, Team Fox members have raised more than \$77M for Parkinson's research. And, thanks to the support of prominent donors, 100 percent of Team Fox proceeds go straight to the Foundation's high-impact programs to help speed a cure.

We invite you to join us in making a difference in the lives of those living with Parkinson's Disease.

Enclosed please find your invitation to our Gala. If you are interested in attending and paying by check, your tax receipt will be sent to you by mail. If you would like to make a donation or purchase your tickets visit us on our fundraising page at <http://fundraise.michaeljfox.org/teamfoxdetroit> or at [www.teamfoxinthed.com](http://www.teamfoxinthed.com). Your tax receipt will be automatically sent to you via email.

Thank you for your generosity,  
Team Fox in the D Committee
